Ambassadorial Scholarships 2012-2013

An international education program for ambassadors of goodwill

Rotary International District 3450
Hong Kong, Macao & Mongolia

The Ambassadorial Scholarships program supports the vision of The Rotary Foundation to enable Rotarians to advance world understanding, goodwill, and peace by:

- Increasing awareness of and respect for cultural differences by sending ambassadors of goodwill to study in another country
- Instilling in scholars the Rotary ideal of Service Above Self through active participation in Rotary service projects
- Encouraging scholars to dedicate their personal and professional lives to improving the quality of life for the people of their home communities and countries
- Developing leaders who can address the humanitarian needs of the world community
- Impacting all areas of the world through a balanced geographical distribution of scholars
- Encouraging Rotarians worldwide to increase the educational opportunities for scholars from low-income countries
- Fostering a lifelong association between Rotary and its scholars

During the study period, scholars are expected to be outstanding ambassadors of goodwill to the people of the host country through presentations before Rotary clubs and districts, schools, civic organizations, and other forums. After study has been completed, scholars share their experiences with the people of their home countries and Rotarians who sponsored their scholarships.
